DAY 11: INSIDE PASSAGE Arr: 0900 hrs – Dep: 0930 hrs	BREAKFAST – LUNCH – DINNER
Alaska’s Inside Passage is a protected network of waterways that wind through glacier-cut fjords and lush temperate rain forests along the rugged coast of South-east Alaska. Arguably one of the greatest cruising routes in the world, the Inside Passage stretches through stunning landscapes, from Misty Fjords National Monument to the famed Glacier Bay National Park & Preserve. Enjoy breakfast, lunch, and dinner at the restaurant on the cruise.	
DAY 12: TRACY ARM INLET – JUNEAU Arr: 0900 hrs – Dep: 2200 hrs	BREAKFAST – LUNCH – DINNER
On the third morning in the cruise, see the cliffs and glacier-covered mountains flank of Tracy Arm Inlet, fringed by the largest intact coastal temperate rain forest in the United States. Old-growth trees colonized Tracy Arm's mouth long ago as the Ice Age retreated. But further up the sinuous 48-kilometer waterway, its icy grip lingers a little. There, the twin Sawyer Glaciers flow from the peaks down to the sea, sloughing off stories-high chunks of water frozen decades or even centuries before. Even more glorious than nearby Glacier Bay, Tracy Arm is part of the 23,000 square kilometres of pure wilderness sheltered by the Tongass National Forest. Next, visit Juneau. Juneau may well be the most remote, most beautiful, and strangest state capital in the United States. Surrounded by water, forest, and mountain sights, the city itself is pleasant. The sleepy, misty city of around 32,000—mostly fishermen and small-business owners—has a frontier town vibe but welcomes more than a million visitors each summer to its natural attractions, cementing Juneau as Alaska’s number-one tourist destination.	
DAY 13: SKAGWAY Arr: 0700 hrs – Dep: 2100 hrs	BREAKFAST – LUNCH – DINNER
At the height of the Klondike Gold Rush, the port town of Skagway served as the primary gateway to the legendary gold fields and quickly grew into Alaska’s largest settlement. It was then a raucous frontier hub packed with trading posts, saloons and guesthouses. As the gold rush faded into the 1900s, so did Skagway—but today it has been reinvigorated as a gateway for a new kind of visitor: those looking to explore Alaska’s colourful history, pristine wildlife and unrivalled natural beauty. Much of the town has been preserved as part of the Klondike Gold Rush National Historical Park, where rangers offer free walking tours around the historic district. Here you’ll also find a vibrant local community, home to a rich collection of local galleries, curio shops and restaurants serving seafood plucked fresh from nearby waters.	
DAY 14: GLACIER BAY Arr: 0615 hrs – Dep: 1515 hrs	BREAKFAST – LUNCH – DINNER
Frosted crags descend into mossy forests and a 457-meter-deep fjord at this World Heritage Site, which is also one of the planet’s largest biosphere reserves. Stone, ice, and water continue to collide, sculpting a dramatic landscape that is the crown jewel of south-eastern Alaska’s natural wonders. While the national park is open year-round, most travelers prefer the warmth of late May to early September.	
DAY 15: KETCHIKAN Arr: 1100 hrs – Dep: 1900 hrs	BREAKFAST – LUNCH – DINNER
Alaska’s “First City” of Ketchikan is so named because it’s the first major landfall for most cruisers as they enter the picturesque fjords of the Inside Passage, where the town clings to the banks of the Tongass Narrows, flanked by green forests nurtured by abundant rain. Ketchikan has long been an important hub of the salmon-fishing and -packing industries—visitors can try their luck on a sport-fishing excursion or simply savour the fresh seafood at one of the local restaurants. It is also one of the best spots	

along the Inside Passage to explore the rich cultural sights of Native Alaskan nations like the Tlingit, Haida and Tsimshian. You can see intricately carved totem poles at the Totem Heritage Centre and Totem Bight State Park.

Day 16: SCENIC CRUISING THE INSIDE PASSAGE	Cruising only	BREAKFAST – LUNCH – DINNER
--	---------------	----------------------------

Alaska’s Inside Passage is a protected network of waterways that wind through glacier-cut fjords and lush temperate rain forests along the rugged coast of Southeast Alaska. Arguably one of the greatest cruising routes in the world, the Inside Passage stretches through stunning landscapes, from Misty Fjords National Monument to the famed Glacier Bay National Park & Preserve.

Sailing the Inside Passage offers opportunities to spot some of Alaska’s most iconic wildlife. Numerous ports along the way recount Alaska’s colourful history. In Sitka, an onion-domed church marks Russia’s onetime foothold in the Americas; Ketchikan provides a glimpse of the Native Alaskan experience, with historic totem poles and native-arts galleries; and the legendary town Centre of Skagway bustles as it did at the turn of the 19th century when it served as the rowdy Wild West gateway to the Klondike Gold Rush.

DAY 17: VANCOUVER - SEATTLE	BREAKFAST – DINNER
-----------------------------	--------------------

Upon arrival of the cruise at approximately 7:00 AM, proceed with the necessary disembarkation and immigration formalities. Once all formalities are completed, meet your coach and begin the scenic drive towards **Seattle**. Upon arrival, enjoy some leisure time at the vibrant **Seattle Waterfront**, where you can relax, take in the beautiful views, and explore the lively surroundings at your own pace. In the evening, enjoy a delicious dinner before proceeding to the hotel for an overnight stay in **Seattle**.

DAY 18: DEPART SEATTLE	BREAKFAST – MEALS ON BOARD
------------------------	----------------------------

After breakfast, checkout from hotel and embark on a **3-hour guided city tour of Seattle**, exploring some of the city's most iconic landmarks and scenic highlights. Visit Kerry Park, renowned for its breathtaking panoramic views of the **Seattle skyline** and the majestic **Space Needle**, making it an ideal spot for memorable photographs. Continue to **Pike Place Market**, one of Seattle's most famous and vibrant attractions, where you can experience the lively atmosphere and admire the local shops, fresh produce, and colorful market displays. The tour will also cover a few other notable points of interest, with convenient stops for photographs and sightseeing. Later, proceed for your transfer to Seattle Airport, arriving by approximately **1:00 PM** for your onward flight to Kolkata via Doha.

DAY 19: DOHA - KOLKATA	
------------------------	--

Reach Doha in the evening. Board your connecting flight from Doha to Kolkata

DAY 20: KOLKATA	
-----------------	--

Reach Kolkata. Complete all immigration formalities before leaving the airport. It is time to bid good-bye to all the friends you have met during the tour. We look forward for your next tour with us.
