DAY 4: INSIDE PASSAGE Arr: 0900 hrs – Dep: 0930 hrs	BREAKFAST – LUNCH – DINNER
---	----------------------------

Alaska’s Inside Passage is a protected network of waterways that wind through glacier-cut fjords and lush temperate rain forests along the rugged coast of South-east Alaska. Arguably one of the greatest cruising routes in the world, the Inside Passage stretches through stunning landscapes, from Misty Fjords National Monument to the famed Glacier Bay National Park & Preserve. Enjoy breakfast, lunch, and dinner at the restaurant on the cruise.

DAY 5: TRACY ARM INLET – JUNEAU Arr: 1300 hrs – Dep: 2200 hrs	BREAKFAST – LUNCH – DINNER
---	----------------------------

On the third morning in the cruise, see the cliffs and glacier-covered mountains flank of Tracy Arm Inlet, fringed by the largest intact coastal temperate rain forest in the United States. Old-growth trees colonized Tracy Arm's mouth long ago as the Ice Age retreated. But further up the sinuous 48-kilometer waterway, its icy grip lingers a little. There, the twin Sawyer Glaciers flow from the peaks down to the sea, sloughing off stories-high chunks of water frozen decades or even centuries before. Even more glorious than nearby Glacier Bay, Tracy Arm is part of the 23,000 square kilometres of pure wilderness sheltered by the Tongass National Forest.

Next, visit **Juneau**. Juneau may well be the most remote, most beautiful, and strangest state capital in the United States. Surrounded by water, forest, and mountain sights, the city itself is pleasant. The sleepy, misty city of around 32,000—mostly fishermen and small-business owners—has a frontier town vibe but welcomes more than a million visitors each summer to its natural attractions, cementing Juneau as Alaska’s number-one tourist destination.

DAY 6: SKAGWAY Arr: 0700 hrs – Dep: 2100 hrs	BREAKFAST – LUNCH – DINNER
--	----------------------------

At the height of the Klondike Gold Rush, the port town of Skagway served as the primary gateway to the legendary gold fields and quickly grew into Alaska’s largest settlement. It was then a raucous frontier hub packed with trading posts, saloons and guesthouses. As the gold rush faded into the 1900s, so did **Skagway**—but today it has been reinvigorated as a gateway for a new kind of visitor: those looking to explore Alaska’s colourful history, pristine wildlife and unrivalled natural beauty. Much of the town has been preserved as part of the Klondike Gold Rush National Historical Park, where rangers offer free walking tours around the historic district. Here you’ll also find a vibrant local community, home to a rich collection of local galleries, curio shops and restaurants serving seafood plucked fresh from nearby waters.

DAY 7: GLACIER BAY Arr: 0700 hrs – Dep: 1600 hrs	BREAKFAST – LUNCH – DINNER
--	----------------------------

Frosted crags descend into mossy forests and a 457-meter-deep fjord at this World Heritage Site, which is also one of the planet’s largest biosphere reserves. Stone, ice, and water continue to collide, sculpting a dramatic landscape that is the crown jewel of south-eastern Alaska’s natural wonders. While the national park is open year-round, most travelers prefer the warmth of late May to early September.

DAY 8: KETCHIKAN Arr: 1100 hrs – Dep: 1900 hrs	BREAKFAST – LUNCH – DINNER
--	----------------------------

Alaska’s “First City” of **Ketchikan** is so named because it’s the first major landfall for most cruisers as they enter the picturesque fjords of the Inside Passage, where the town clings to the banks of the Tongass Narrows, flanked by green forests nurtured by abundant rain.

Ketchikan has long been an important hub of the salmon-fishing and -packing industries—visitors can try their luck on a sport-fishing excursion or simply savour the fresh seafood at one of the local restaurants. It is also one of the best spots along the Inside Passage to explore the rich cultural sights of Native Alaskan nations like the Tlingit, Haida and Tsimshian. You can see intricately carved totem poles at the Totem Heritage Centre and Totem Bight State Park.

Day 9: SCENIC CRUISING THE INSIDE PASSAGE Cruising only	BREAKFAST – LUNCH – DINNER
---	----------------------------

Alaska’s Inside Passage is a protected network of waterways that wind through glacier-cut fjords and lush temperate rain forests along the rugged coast of Southeast Alaska. Arguably one of the greatest cruising routes in the world, the Inside Passage stretches through stunning landscapes, from Misty Fjords National Monument to the famed Glacier Bay National Park & Preserve.

Sailing the Inside Passage offers opportunities to spot some of Alaska’s most iconic wildlife.

umerous ports along the way recount Alaska’s colourful history. In Sitka, an onion-domed church marks Russia’s onetime foothold in the Americas; Ketchikan provides a glimpse of the Native Alaskan experience, with historic totem poles and native-arts galleries; and the legendary town Centre of Skagway bustles as it did at the turn of the 19th century when it served as the rowdy Wild West gateway to the Klondike Gold Rush.

DAY 10: VANCOUVER - WHISTLER	BREAKFAST – DINNER
------------------------------	-----------------------

Disembark at Vancouver at 0700 am, visit our next attraction, **Flyover Canada (OPTIONAL)**, which utilises state-of-the-art technology to give you the feeling of flight. You will hang suspended, feet dangling, before a 20-metre spherical screen while our film whisks you away on an exhilarating 8-minute journey across Canada, from east to west. Special effects, including wind, mist, and scents, combine with the ride’s motion to create an unforgettable experience. At Flyover Canada, you will spend approximately 25 minutes getting introduced to the country. You will first enter the pre-show area, where you will be immersed in an audio-visual show of Canada "up close and personal" before heading to the boarding zone for your preflight briefing. You will then experience the unforgettable 8-minute Ultimate Flying Ride soaring over some of the most spectacular scenery the country has to offer.

After that, proceed towards Whistler. Enjoy dinner and an overnight stay in Whistler.

<b>DAY 11: WHISTLER – KAMLOOPS</b>	<b>BREAKFAST – DINNER</b>
------------------------------------	---------------------------

After breakfast, check out from the hotel, and you can opt for an **OPTIONAL** Gondola ride from one peak to another peak.

Then, proceed to **Kamloops** to start your unforgettable journey of the Canadian Rockies. With jagged, ice-capped peaks, lakes, diverse wildlife and outdoor recreation sites, we head towards Kamloops - a city in south central British Columbia, at the confluence of the two branches of the Thompson River and near Kamloops Lake. It is almost 4 hours' drive with a lot of scenic photo stops.

Have dinner and stay overnight at Kamloops.

<b>DAY 12: KAMPLOOPS – BANFF NATIONAL PARK</b>	<b>BREAKFAST – DINNER</b>
--	---------------------------

*When awe-inspiring scenery, champagne powder snow and truly expansive ski areas come together, beautiful moments happen. In Banff & Lake*

*Louise, this beauty doesn't fade throughout the year – it morphs into a new incarnation of awe with the coming of each season.*

After breakfast, leave for **Banff National Park** that boasts some of the world's finest unspoiled ecosystems. Rocky mountain peaks, turquoise glacial lakes, a picture-perfect mountain town and village, abundant wildlife and scenic drives come together in Banff National Park - Canada's first national park and the flagship of the nation's park system. Banff encompasses 6,641 square kilometres of mountainous terrain, with numerous glaciers and ice fields. Each year, millions of visitors come to Banff to marvel at the emerald waters of Lake Louise, walk amongst the flower-filled heavens at Sunshine Meadows, and drive beneath the towering jagged peaks lining the Icefields Parkway. Snow-capped peaks, glistening glaciers and sweeping vistas are just a part of the allure of Banff National Park.

Reach Banff by the evening. Enjoy dinner and stay overnight in the hotel at Banff.

<b>DAY 13: BANFF NATIONAL PARK – LAKE LOUISE</b>	<b>BREAKFAST – DINNER</b>
--	---------------------------

Today after breakfast, embark on a whole day tour of **Lake Louise**, a hamlet at Banff National Park in the Canadian Rockies, known for its turquoise, glacier-fed lake ringed by high peaks and overlooked by a stately chateau. The turquoise colour of the water comes from rock flour carried into the lake by the water melting from the glaciers that overlook the lake. The lake has a surface of 0.8 sq. km and is drained through the 3 km long Louise Creek into the Bow River. Later enjoy an exhilarating ride (**Optional Tour**) on the Banff Gondola to the top of Sulphur Mountain to get a bird's eye view of six mountain ranges of the Canadian Rockies.

Enjoy dinner in a local restaurant and return back to the hotel for an overnight stay.

<b>DAY 14: JASPER</b>	<b>BREAKFAST – DINNER</b>
-----------------------	---------------------------

After breakfast, check-out from the hotel to start your journey to Jasper. With the Rocky Mountains stretched across, Banff and Jasper National Parks are filled with dramatic and untamed wilderness. Rugged mountaintops scrape the skyline while enormous glaciers cling to their precipices. Glassy lakes flash emerald, turquoise and sapphire, filled by waterfalls tumbling down cliff faces and thundering through bottomless canyons. Deep forests blanket wide valleys and lofty alpine meadows explode with vibrant flowers. It is the scenery that one can only expect to see on postcards. Reach Jasper after about 2 hours of picturesque drive.

**Jasper National Park** is the largest national park in the Canadian Rockies, spanning 11,000 sq. km. It is located in the province of Alberta, north of Banff National Park and west of Edmonton. The park includes the glaciers of the Columbia Icefield, hot springs, lakes, waterfalls and mountains.

Check-in to the hotel and have dinner. Stay overnight in the hotel at Jasper.

DAY 15: SUN PEAKS	BREAKFAST – DINNER
-------------------	--------------------

After breakfast, proceed for another long scenic drive heading towards Sun Peaks. The hills looming north-east of Kamloops are home to Sun Peaks resort. This ever-growing resort boasts 135 ski runs (including some 8 km long powder trails, 12 lifts and a pleasant base area village). It is a family-friendly and affordable year-round resort surrounded by three mountains.

Striking a delicate balance between natural setting and convenient amenities, Sun Peaks Resort offers incredible access to cross-country skiing, downhill skiing and snowboarding in winter and hiking, golfing and mountain biking in summer. Sun Peaks also caters to foodies with a great selection of restaurants and annual food and wine festivals.

Reach **Sun Peaks** by the afternoon and check-in to the designated hotel with amazing scenic surrounding. Sun Peaks European-style village is nestled at the centre of the resort's three mountains. The village features shopping boutiques, restaurants and accommodations, all within easy walking distance. The village is just minutes from the resort's chairlifts and an endless array of winter and summer activities.
