DAY 2: LONDON - STRATFORD – OXFORD - LONDON	BREAKFAST ON BOARD - DINNER
---	-----------------------------

Welcome to England! Upon arrival at London in the morning, complete all immigration formalities. You will be given time to freshen up. Thereafter, you will be transferred by luxury AC coach to **Stratford upon Avon**, the birthplace of famous English poet and playwright, William Shakespeare. The beautiful town, Stratford, is situated on the bank of river Avon. After this inspiring visit, proceed to **Oxford**, the oldest University City in the United Kingdom and also the “dreaming city of spires” located on the rivers Thames and Cherwell. Oxford has long represented the English academic establishment and elite. Its picturesque architecture and vibrant modern life, set in the rolling countryside of Oxfordshire make it a great destination. Return to London and enjoy an orientation tour of the city. Have dinner followed by check-in to the hotel for an overnight stay.

DAY 3: STONEHENGE – BRISTOL – CARDIFF	BREAKFAST - DINNER
---------------------------------------	--------------------

After breakfast, check-out and embark on the day’s sightseeing, beginning with a visit to **Stonehenge**, considered to be Britain’s greatest national icon, symbolizing mystery, power and endurance. This pre-historic monument comprises a ring of standing stones set within earthworks.

Our next stop is **Bristol**, the sixth most populous city in England and largest center of culture, education and employment in the region. Bristol also happens to be the city in which Raja Ram Mohan Roy, the founder of Brahmo Samaj and the great social reformer breathed his last and was buried.

We end up the day's sightseeing at **Cardiff**, the capital of Wales. If we find time, we will do some sightseeing in this capital city, otherwise it will be done on the next day. Have dinner followed by check-in to the hotel for an overnight stay at Cardiff.

<b>DAY 4: CARDIFF – LAKE DISTRICT</b>	BREAKFAST - LOCAL DINNER
---------------------------------------	--------------------------

After breakfast, check-out and enjoy our **city tour of Cardiff**, including **Cardiff Castle**. Cardiff is the youngest and fastest growing Capital City in Europe.

Stroll down the Mermaid Quay, a major waterfront development for a wide range of eating and drinking places and Techniquet, the hands-on Science Exhibition Center for all ages. It is also well known for its prestigious Victorian & Edwardian Arcades which houses a mix of designer boutiques, cafes, arts and crafts shops, specialist food shops and music shops - to name a few.

On completion, drive out to **Lake District** with a short interval for your lunch space to spend the next two blissful days in Kendal surrounding **Windermere and Grasmere**, a charming village in the heart of Lake District National Park in Cumbria and home of the famous poet William Wordsworth.

<b>DAY 5: LAKE DISTRICT</b>	BREAKFAST – LOCAL DINNER
-----------------------------	--------------------------

After breakfast, explore the beautiful Lake District area, William Wordsworth's former home **Dove Cottage and St. Oswald's Church**, the churchyard which contains the Wordsworth family graves. Grasmere has been described as 'The loveliest spot that man hath ever found' by the great poet himself.

Visit the unspoiled **Lake Grasmere** and the most fascinating **Lake Windemere**. Grasmere Village is the central location which means that you have everything in the Lake District within easy reach. Windermere is the largest natural lake in England. It is a ribbon lake formed in a glacial through after the retreat of ice at the start of the current interglacial. It has been one of the country's most popular places for holidays and summer homes. It is in the county of Cumbria and entirely within the Lake District National Park.

**Keswick** is a leisurely twenty-minute drive away through spectacular countryside - **Ambleside** lies to the south and is an ideal pause in your journey down to Windermere, through similarly impressive scenery. Grasmere enjoys a certain tranquility compared to the busy towns surrounding it and the word "busy" in Grasmere does not mean the same kind of busy you might find in Ambleside, Bowness or Keswick. Have dinner followed by stay in the hotel.

## DAY 6: EDINBURGH

BREAKFAST - DINNER

After breakfast, check-out and drive to **Edinburgh**, the capital of Scotland. Edinburgh has been recognized as the Capital of Scotland since at least the 15th century (after Scone, Perth, Roxburgh, and Stirling, respectively) but political power moved south to London after the Union of the Crowns in 1603 and the Union of Parliaments in 1707. . Edinburgh's Old Town and New Town are jointly listed as a UNESCO World Heritage Site.

En-route, visit **Gretna Green**, a small Scottish village considered as possibly the most romantic place in Scotland. It is famous for being the marriage capital of UK.

Along the way, visit the world-famous **Edinburgh Castle** which is a must-visit destination. Built into rugged rock overlooking Princes Street Gardens, this is undoubtedly Scotland's most famous castle and the city's most popular tourist attraction with the Crown Jewels, the Stone of Destiny and fantastic views from the castle's ramparts. Before check-in to hotel, proceed for a **city tour of Edinburgh** this afternoon and visit the Edinburgh Castle which is the most important landmark of Scotland.

Later, drive to **Inverness**, meaning "Mouth of the River Ness", which is regarded as the capital of the Scottish Highlands and one of the fastest growing cities in Europe. You head north over the Forth Road Bridge.

En-route, visit **Pitlochry**, which is in the heart of Scotland with real hospitality, clean sparkling air, beautiful scenery, rich clan history, fine food, plenty of space and lots to see and do. Pitlochry is primarily a holiday destination, which caters for the holiday maker year-round in its own special way. The people are knowledgeable, friendly and helpful as it has been a tourist destination for well over 150 years, counting Queen Victoria amongst its earlier visitors. It is famous not only for its rich scenic beauty but also for producing wool. Pitlochry is situated in the heart of the stunning scenery of Highland Perth shire. The town sits below Beinn Bhraicigh (Ben Vrackie), the speckled mountain and beside the River

Tummel, in some of the most magnificent scenery in Scotland. With a backdrop of surrounding hills and beautiful woodlands, it is a wonderful country, perfect for walking along the lanes.

Later, continue your journey passing the Cairngorm Mountains to Inverness. On the way to this beautiful city, see the **Inverness Castle**. At present, it is the Court House and is not open to the public.

Have dinner followed by check-in to the hotel for an overnight stay.

## DAY 8: INVERNESS – GLASGOW

BREAKFAST - DINNER

After breakfast, check-out from the hotel and drive down through the picturesque Scottish Highlands to explore the main attractions of Glasgow, very common name to the Indian Commercial & Engineering arena.

Disarmingly blending sophistication and earthiness, Scotland's biggest city has evolved over the last couple of decades to become one of Britain's most intriguing metropolises. Upon arrival at Glasgow, embark on a city tour to visit **Glasgow Cathedral, George square & the famous University of Glasgow**. The first stone-built Glasgow Cathedral was dedicated in the presence of King David I in 1136. The present building was consecrated in 1197. Since that same period, the Cathedral has never been unroofed.

The city's main shipbuilders Harland and Wolff, which built the famous RMS Titanic, propelled Belfast onto the global stage as the biggest and most productive shipyard in the world. The Museum tells the stories of the ill-fated Titanic, which sank on her maiden voyage in the year 1912, and her sister ships RMS Olympic and HMHS Britannic. The building contains more than 12,000 square meters (130,000 sq. ft) of floor space, most of which is occupied by a series of galleries, plus private function rooms and community facilities.

and reach their maximum height of 214 meters (702 ft) just north of O'Brien's Tower, eight kilometers to the north. The tower is a round stone tower near the midpoint of the cliffs built in 1835 by Sir Cornelius O'Brien. From the cliffs and from atop the tower, visitors can see the Aran Islands in Galway Bay, the Maumturks and Twelve Pins mountain range to the north in County Galway, and Loop Head to the south. Despite all the hardships they have endured over the years, the Aran Islands have stubbornly retained their strong, unique culture and way of life. This culture and the way of life has been a major source of inspiration for world famous writers, film-makers, and artists throughout the years.
